Brian – It seems as if all of our changes have been made. I caught two typos, one on page 1 and one on page 7 of the RFP. Otherwise this seems fine to me. I assume that the proposed schedule for the RFP is acceptable to you and Betsy. Keith, of course, needs to also sign off for L/OES. Regards, John cc: Benes, Orlando

Just a reminder that we consented to green light this by tomorrow. I'll wait for your changes or your thumbs up. b

Attached are revised versions of the Keystone XL Project RFP for a third-party contractor and the associated form of agreement. These versions are intended to reflect our discussions of last Friday. Once you have reviewed and approved these documents, we will issue the RFP to the prospective contractors on the list that we discussed on Friday.

Thanks,
Jim
